The Honorable Rosa L. DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Safe Routes to Schools (Brooklyn, NY) project in fiscal year 2024. The entity to receive funding for this project is the New York City Department of Transportation, located at 55 Water Street, New York, NY 10041. The funding would be used for introducing targeted pedestrian and street safety improvements in the vicinity of three schools in Brooklyn: P.S. 156 – Waverly, P.S. 189 – The Bilingual Center and P.S. 327 – Dr. Rose B. English School. The project is an appropriate use of taxpayer funds because this capital project will introduce targeted pedestrian and street safety improvements near seven schools across Brooklyn. The project will improve pedestrian visibility and safety around the schools, while reducing the number of vehicle crashes and severe injuries in these priority communities.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

HAKEEM JEFFRIES
Member of Congress
